### ...and a good time was had by ALL!

Our 2011 Annual Open House was a success. We had 63 attend and 20 signed up for the \$20 Open House Special Membership that extended the \$20 One Month Temporary Membership to two months. The weather wasn't all we hoped for, but we were successful in spite of that.

Reggie Rook has taken on the task of follow-up clinics and I'm sure the result will be new enthusiastic full members that will enjoy our wonderful game for many years.

I want to thank all who volunteered - the teachers, greeters, registrars, those who manned the membership table, the hospitality staff that handed out pizza and lemonade... plus the people who helped do all the rinks set-up and decorations. You did a great job and we received a lot of compliments about how nice everyone was.

Thanks again for a job well done.

Rickie Neal  
Open House Chairperson

### Welcome New Members!

# Open House, a BIG success!
